GENERAL TERMS AND CONDITIONS FOR GAS SERVICE

1. DEFINITIONS

1.01 Agent: A person, partnership, public/private firm, or corporation authorized by another entity to perform services on their behalf.

1.01.01 Company Agent: a person or agency employed or appointed by Company to act as its representative for the purpose of providing service or otherwise exercising the authorities described in Company's Commission-approved tariffs.

1.01.02 Marketer Agent: an agent authorized by the customer to perform transportation service-related activities for the customer. A gas marketer must meet criteria established under Section 10 Requirements for Transportation Service.

1.02 Burnertip Balancing: An annual arrangement between an upstream pipeline and Company in which the pipeline agrees to deliver to Company, on behalf of each customer with a confirmed nomination, volumes equal to that customer's actual monthly retainage-adjusted usage. Burnertip balancing, where available, eliminates monthly customer imbalances on the Company's system.

1.03 Central Clock Time (CCT): Central Standard Time throughout the year, as adjusted for Central Daylight Time.

1.04 Commission: The State Corporation Commission of the State of Kansas or any successor of such Commission having jurisdiction over the subject matter herein.

1.05 Company: Kansas Gas Service Company, a division of ONEOK, Inc. or its properly designated agent.

GENERAL TERMS AND CONDITIONS FOR GAS SERVICE

- 1.06 **Confidentiality:** Company's treatment of customer-specific information. This information, which shall include all billing statement information, usage data and agent information, shall not be released to any other party without the customer's consent, except that neither notice nor customer consent shall be required when customer-specific information is released in response to a request of the Commission or its staff. This section shall not prevent Company from providing information regarding customer status when requested by law enforcement or emergency personnel acting in an official capacity or when customer-specific information is released by court order, subpoena, or other order or requirement issued by a duly constituted authority, or when release of such information is necessary to provide service. Company shall not be required to notify the customer or obtain the customer's consent in these instances.

- 1.07 **Contiguous Premises:** Properties, sharing at least one common point or local boundary, upon which all buildings and/or natural gas consuming devices are owned or occupied by the same customer, and upon which all natural gas service is utilized to supply one or more connected natural gas loads which Company considers to be components of a unified operation. Streets, alleys, and other rights-of-way intersecting the customer's properties are not considered property occupied or used by others.

- 1.08 **Curtailement:** Company's complete or partial limiting of delivery services to a customer or customers otherwise entitled to receive such services.

- 1.09 **Customer:** An end-user of natural gas for which Company has approved an application for service supplied under Company's tariffs.
 - 1.09.01 **Residential:** A customer receiving natural gas sales service at a single location, principally for the maintenance or improvement of the quality of life in a household, home, or place of dwelling having separate kitchen, sleeping and living facilities and permanent provisions for sanitation, or at a detached garage on the same premise as customer's home. The primary use of utility service shall be limited to comfort space conditioning, water heating, food preparation, and other non-profit household uses. Uses shall also include:
 - (1) Premises, served through one meter, that have been converted from one to no more than five single-family dwelling units, each having separate kitchen facilities, and

(2) Premises in which four or fewer sleeping rooms are rented or available for rent.

Premises exceeding such limitations shall not be considered residential.

1.09.02 **Nonresidential:** A customer served at a single location for which the primary activity cannot be defined as residential. Nonresidential customers may include, but shall not necessarily be limited to, those using service for wholesale and retail trade, professional and miscellaneous business services; hotels and other lodging places; garages located on property not contiguous to the customer's residential dwelling; clubs; single-metered apartment houses; commercial office buildings; warehouses; theaters and auditoriums; water pumping plants; laundries; greenhouses; public buildings; universities, colleges and schools; hospitals, institutions for the care or detention of persons; and airfields, military and naval posts. Nonresidential customers may also include those using service to change raw or unfinished materials into other forms or products. Meters serving the common use of multiple customers or units, whether residential or non-residential, shall be considered non-residential.

1.10 **Delivery Point:** The outlet side of Company's meter at a customer's premises.

1.11 **Delivery Systems:** The areas into which Company's delivery facilities are divided.

1.11.01 **"k" System:** Company's local distribution facilities connected to interstate pipelines not affiliated with Company and providing service to customers living in and around the communities listed in the Index

1.11.02 **"t" System:** Company's affiliated and integrated transmission and local distribution facilities providing service to customers living in and around the communities listed in the Index.

GENERAL TERMS AND CONDITIONS FOR GAS SERVICE

- 1.12 **Gas Day:** A 24-hour period from 9:00 a.m. to 9:00 a.m. Central Clock Time unless stated otherwise in an agreement with a specific pipeline. The Gas Day shall be used to determine receipt and delivery of gas by Company. It shall also be the basis for projecting the customer's requirement and nominating monthly usage.
- 1.13 **Gas Supply:** The total natural gas volumes purchased by Company to be available to meet the needs of its Sales Service customers.
- 1.14 **Nomination:** A customer's request to deliver a specified amount of gas through Company's local distribution facilities. A nomination is a daily MMBtu quantity and must include a beginning and ending date.
 - 1.14.01 **Confirmed Nomination:** Standard Nomination or an Intraday Nomination which has been accepted and approved by Company. A nomination made on an interstate pipeline will be forwarded by that pipeline to Company for approval. A nomination made on Company's "t" system, must be made directly to Company for approval.
 - 1.14.02 **Standard Nomination:** A nomination submitted by the customer or by the customer's agent no later than 11:45 a.m. for quantities to be transported beginning on the next Gas Day or later.
 - 1.14.03 **Intraday Nomination:** A nomination submitted by a customer, or by the customer's agent, during the Gas Day to be effective that same day, or received after 11:45 a.m. to be effective the following Gas Day.
- 1.15 **Operational Flow Order (OFO):** A directive instructing customers to control their usage to avoid either Under-Deliveries or Over-Deliveries to protect the integrity of any portion of Company's system or to insure compliance with upstream transporters' requirements.
- 1.16 **Over-Delivery:** The condition resulting when deliveries of natural gas to a customer are greater than the usage level authorized by Company.

Sheet 5 of 6 Sheets

GENERAL TERMS AND CONDITIONS FOR GAS SERVICE

- 1.17 **Period of Curtailment (POC)**: A period of time during which Company limits delivery service to sales and/or transportation customers.
- 1.18 **Period of Daily Balancing (PODB)**: A period of time during which a transportation customer's nomination is reconciled with actual usage on a daily basis.
- 1.19 **Receipt Point**: A mutually agreeable location on Company's system where a transportation service customer provides for Company to receive gas.
- 1.20 **Service**:
 - 1.20.01 **Sales Service**: Gas delivery for which Company is responsible for procuring an adequate supply of gas to meet a customer's needs. Company's responsibility under sales service is conditioned by Company's rate schedules and these GT&C, specifically Section 11 **Priority of Service**.
 - 1.20.02 **Transportation Service**: Gas delivery for which a customer is responsible for procuring a supply of gas adequate for the customer's needs. Company's responsibility under transportation service is conditioned by Company's rate schedules and these GT&C, specifically Section 10, **Requirements for Transportation Service** and Section 11, **Priority of Service**.
- 1.21 **Single Location**: A customer's contiguous premises.
- 1.22 **Supplier**: A person, partnership, public/private firm, or corporation which provides and delivers natural gas to a Company receipt point on behalf of Company, a transportation customer, or the customer's agent.
- 1.23 **Supply Emergency**: A system condition in which Company's available gas supply is insufficient to meet the requirements of its critical-needs sales service customers. A supply emergency may be caused by insufficient supply or inadequate capacity, either on Company's system or on that of any connected interstate pipeline.

Sheet 6 of 6 Sheets

GENERAL TERMS AND CONDITIONS FOR GAS SERVICE

1.24 Tariffs: Company documents, on file with the Commission, which define the terms and conditions under which Company provides service to customers.

1.24.01 General Terms and Conditions for Gas Service (GT&C): The operational practices and methods for service to customers. The GT&C apply to all Service Agreements between Company and a customer and to all rate schedules and rider schedules approved by the Commission. These GT&C in no way supersede or modify any rules, regulations, and lawful orders of the Commission. If there appears to be any conflict, the rules, regulations, and/or lawful orders of the Commission shall control. These GT&C are also intended to be consistent with the Service Agreements, rate schedules, and rider schedules of Company. The more specific provisions of a Service Agreement, rate schedule, or rider schedule shall control if there appears to be any inconsistency. No representative, agent, or employee of Company shall have authority to amend, modify, alter, or waive any of these GT&C except as directed by the Commission. Certain requirements of these GT&C may be waived by the Commission in individual cases upon written request by Company and a showing that compliance with the requirement would not serve the interests of Company or the customer.

1.24.02 Rate Schedules: Rates and specific conditions for service. Rate schedules are subject to change as provided by law.

1.24.03 Rider Schedules: Rates and/or conditions for service applicable to certain customers, but which must refer to and rely upon a rate schedule or the customer's complete requirements.

1.25 Under-Delivery: The condition resulting when deliveries of natural gas to a customer are less than those received into Company's system on behalf of the customer.
