Definitions and Conditions

1. Annual deliveries greater than 1,500 Mcf at an individual meter during the last 12 billing periods shall qualify a customer for service under this rate schedule.
2. If a customer does not select a general service rate schedule for which it may qualify, Company may select the applicable general service rate schedule on the customer’s behalf. A customer may change the general service rate schedule which the customer is being billed during the first 12 months of service under the selected rate schedule. Thereafter, the customer is prohibited from making more than one change in a 12-month period.
3. Sales service is provided for the charge specified in the Net Monthly Bill section when supplied from Company's existing facilities. When additional facilities are needed to serve a customer, an additional charge may be required.
4. Multiple meter installations, installed at a single location for a customer's convenience, shall be billed additional Service Charges for each additional meter installation.
5. Sales service under this rate schedule is subject to the provisions and applicable charges contained in Company’s General Terms and Conditions for Gas Service, or successor documents, approved by the Commission.
6. All provisions of this rate schedule are subject to changes made by order of the Commission.
