Vehicle's CNG system conforms with EPA/CARB certification Yes No If No, the vehicle does not meet the rebate requirements.

Dealer/Conversion Signature: _____ Date: _____

3. Eligibility Requirements

Only Kansas Gas Service customers are eligible for the NGV rebate.

1. An individual, will be capped for three (3) rebates per calendar year.
2. A dedicated or bi-fueled natural gas vehicle must be an Original Equipment Manufacturer (OEM) CNG vehicle or contain an Environmental Protection Agency/California Air Resources Board (EPA/CARB) Certified kit.
3. A dedicated or bi-fueled natural gas vehicle must be a model year less than or equal to 5 years from the rebate application year.
4. A dedicated or bi-fueled natural gas vehicle will qualify for only one rebate during its lifetime regardless of ownership.
5. A dedicated or bi-fueled natural gas vehicle must have been purchased or converted within 90 days of the applicant's request for a rebate, subject only to the cap exception in Kansas Gas Service's sole discretion above.
6. The purchase of dedicated and bi-fueled natural gas vehicles must occur after the Metropolitan Energy Center and Kansas Gas Service approval of this schedule.
7. Vehicle Dealers and/or Installers of conversion kits do not qualify. Any business whose primary purpose is the sale, resale, renting or leasing of automobiles and trucks would not qualify.
8. Kansas Gas Service requires each applicant to present a completed application and is unable to process incomplete applications. Applicants must include the following information:
 - (a) Vehicle identification number (VIN);
 - (b) Verification of liability insurance information;
 - (c) Evidence of vehicle ownership such as the assigned Manufacturers Certificate of Origin, purchase contract or bill of sale;
 - (d) Copy of the Application for Kansas Certificate of Title;
 - (e) Conversion Kit Serial number; and
 - (f) Conversion Invoice verifying eligibility.
9. Applications and additional information are available at www.KansasGasService.com/CNG.
10. Kansas Gas Service reserves the right to verify the applicant's eligibility for the rebate. Kansas Gas Service issues rebates in the form of checks, not utility credits. Kansas Gas Service is not responsible if the dealer/installer or retailer fails to provide accurate information about the amount of a rebate or eligibility. Rebate checks will be mailed approximately six (6) to eight (8) weeks after approval, subject to availability of program funds.
11. Rebates are reviewed and processed on a **first-come, first-served basis until program funds are depleted**. Rebate qualifications and amounts are subject to change. Rebate funds are limited. Funding guidelines for these rebates may be changed or discontinued at any time without notice. Please check for rebate updates at www.KansasGasService.com/CNG.

I hereby certify that I understand and meet the CNG Rebate Program eligibility requirements.

**Kansas Gas Service
Compressed Natural Gas Rebate Program
P.O. BOX 25957
Overland Park, KS 66225-5957
1-913-344-8811 (Fax)**

Kansas Gas Service requires each customer to present a completed rebate application and is unable to process incomplete applications. Applications and additional information are available at www.KansasGasService.com/CNG. Kansas Gas Service reserves the right to verify all information provided. Kansas Gas Service issues rebates in the form of checks, not utility credits. Kansas Gas Service is not responsible if the dealer/installer or retailer fails to provide accurate information about the amount of a rebate or eligibility. Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds.

Rebates are reviewed and processed on a first-come, first-served basis until program funds are depleted. Rebate qualifications and amounts are subject to change. Rebate funds are limited. Funding guidelines for these rebates may be changed or discontinued at any time without notice. Please check for rebate updates at www.KansasGasService.com/CNG.

6. Terms and Conditions

Kansas Gas Service requires each customer to present a completed rebate application and is unable to process incomplete applications. Applications and additional information are available at www.KansasGasService.com/CNG. Kansas Gas Service reserves the right to verify all information provided. Kansas Gas Service issues rebates in the form of checks, not utility credits. Kansas Gas Service is not responsible if the dealer/installer or retailer fails to provide accurate information about the amount of a rebate or eligibility. Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds. *Per the limited availability of program funds, all uncashed checks will become void and non-negotiable after the 60th day from issuance.*

Rebates are reviewed and processed on a first-come, first-served basis until program funds are depleted. Rebate qualifications and amounts are subject to change. Rebate funds are limited. Funding guidelines for these rebates may be changed or discontinued at any time without notice. Please check for rebate updates at www.KansasGasService.com/CNG.

As you decide whether to participate in Kansas Gas Service's Compressed Natural Gas (CNG) Rebate program, please review the following terms and conditions.

1. To qualify for the CNG Rebate program, individual Kansas Gas Service customers must complete a CNG Rebate application form and provide all information required by the application. Applications and additional information are available at www.KansasGasService.com/CNG.
2. Any new or used CNG vehicle must comply with the additional terms and conditions included in the CNG Rebate application form. By completing the CNG Rebate application form, a customer represents and warrants to Kansas Gas Service that the customer's natural gas vehicle or CNG fuel system qualifies for the CNG Rebate program in all respects, including without limitation that (a) the customer has not claimed more than three rebates in any calendar year (subject to certain exceptions at Kansas Gas Service's discretion), (b) if the rebate is being claimed for a natural gas vehicle, that neither the customer, nor to the customer's knowledge has anyone else, previously claimed a rebate for such vehicle or any conversion kit in such vehicle during its lifetime, and (c) that the customer is not a dealer or installer, as applicable, of natural gas vehicles or natural gas conversion kits. Kansas Gas Service reserves the right to verify all information provided.
3. Kansas Gas Service does not sell or manufacture the vehicles or natural gas conversion kits that qualify for rebates under the CNG Rebate programs, nor does it endorse or recommend any particular vehicle, conversion kit, or fueling system. Kansas Gas Service is not responsible for any decision regarding the selection of vehicles, conversion kits, or CNG fueling systems to qualify for rebates under our CNG Rebate program. **KANSAS GAS SERVICE THEREFORE DOES NOT MAKE AND HEREBY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE FOR ANY VEHICLE OR CONVERSION KIT CHOICE THE CUSTOMER MAKES.** The customer is responsible for the full cost and, if applicable, installation, of any vehicle or natural gas conversion kit.

4. Kansas Gas Service will not install any natural gas conversion kit(s) into the customer's vehicle, nor is Kansas Gas Service responsible for the performance of installation services by the customer or any third party. If a customer decides to install a natural gas conversion kit, Kansas Gas Service encourages its customers to carefully research and select a qualified professional to do so. Kansas Gas Service is not responsible for any damage caused when (a) a contractor enters a customer's premises or during installation, (b) by poor workmanship or (c) failure to complete projects. Kansas Gas Service will not intervene in disputes between a customer and his or her selected contractor. Kansas Gas Service also strongly encourages participating customers to be sure any installation conforms to all applicable codes, permit requirements and manufacturer installation recommendations and requirements. Kansas Gas Service is not responsible for determining whether a conversion kit has been installed correctly or safely into the customer's vehicle.
5. Kansas Gas Service makes no warranty concerning whether use of a natural gas vehicle will accomplish any projected or targeted fuel cost savings. Further, in determining whether to purchase a natural gas vehicle or convert an existing vehicle to natural gas, Kansas Gas Service advises its customers to consider the proximity and availability of retail CNG outlets and stations.
6. Kansas Gas Service issues rebates in the form of checks, not utility credits. Kansas Gas Service is not responsible if the dealer/installer or retailer fails to provide accurate information about the amount of a rebate or eligibility. Rebate checks will be mailed approximately six (6) to eight (8) weeks after approval, subject to availability of program funds.
7. CNG Rebates for natural gas vehicles are available to any individual Kansas Gas Service customer. Kansas Gas Service encourages each participant to review all program eligibility requirements.
8. Completed rebate applications will be reviewed and processed by Kansas Gas Service on a first-come, first-served basis until program funds are depleted. Rebate qualifications and amounts are subject to change. Rebates funds are limited. Funding guidelines for these programs may be changed or discontinued at any time without notice. Please check www.KansasGasService.com/CNG for updates.

7. Acceptance of Terms

I hereby certify that all information is accurate, including claims of customer and equipment information. My signature below indicates I have read, understand and agree to all terms and conditions on this application and acknowledge that Kansas Gas Service may verify all the information provided.
